Methodology: face-to-face

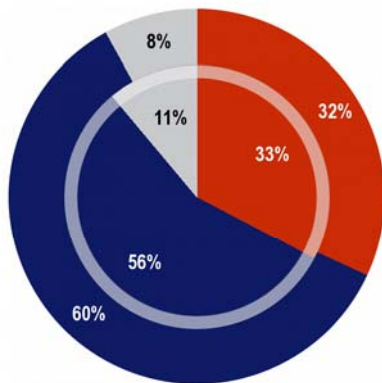

Priorities for energy cooperation

QA7. The European Parliament wants increased energy cooperation between the European Union Member States. With this in mind, do you think that the main priority should be given to...?

Solidarity to face energy supply risks

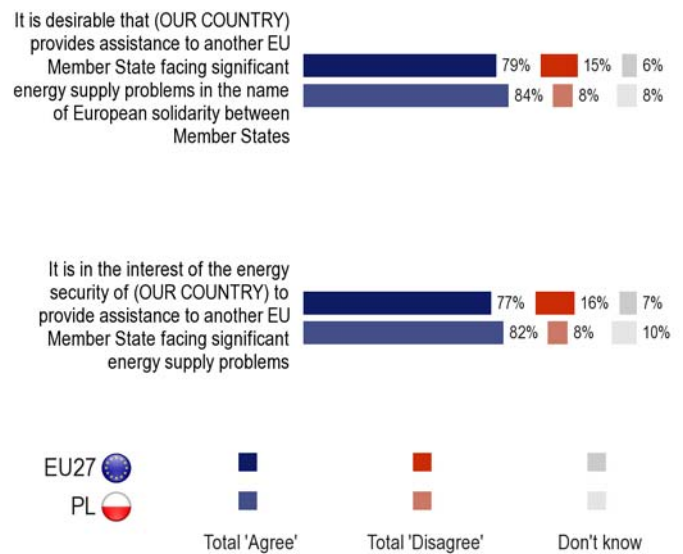

QA8. In winter 2008, some European Union Member States were faced with significant energy supply problems, in particular an interruption in gas deliveries. As a citizen, would you say that you would be better protected in the face of such an energy supply risk if...?

 (OUR COUNTRY) adopted and implemented measures individually
 (OUR COUNTRY) adopted and implemented measures in a coordinated way with the other EU countries
 Don't know

EU27  Outer pie PL  Inner pie

QA9. Please tell me whether you totally agree, tend to agree, tend to disagree or totally disagree with each of the following statements concerning the question of energy supplies within the EU?
